## **PACT TEAM LOCATES WANTED PERSON IN POSSESSION OF ILLEGAL FIREARMS**

RIVERSIDE, CA – Recently, the West Post Release Accountability & Compliance Team (PACT) developed information regarding the whereabouts of a wanted person with local and out of state arrest warrants for possession of illegal drugs and firearms. Today on Wednesday, November 15, 2018, they located the subject at a residence in the 4200 block of Canterbury Road, in the Ramona neighborhood of Riverside.

Jason Reinhardt, 31-years-old of Riverside, was contacted and safely detained by the PACT Team. A search of his residence resulted in finding a loaded Tech-9 assault weapon, a handgun, homemade silencer, various firearm parts, suspected heroin, and body armor. Based on the portions of different weapons located, it is believed the suspect was involved in the illegal manufacturing of firearms.

Mr. Reinhardt was arrested and later booked into the Robert Presley Detention Center for weapons and illegal narcotics violations, along with the outstanding arrest warrants.

The West PACT Team is a task-force made up of members from the Riverside Police Department, Corona Police Department, Riverside County District Attorney's Office, Riverside County Probation, and the Federal Bureau of Alcohol, Tobacco, and Firearms (ATF). Its mission is to work with local law enforcement agencies and the Riverside County Probation Department to direct immediate focus on those "high-risk" and/or "at-large" Post Release Community Supervision (PRCS) offenders, and those on mandatory supervision from county jail who pose the greatest risk to public safety. Currently, there are three regional PACT Teams serving Riverside County.
